ABOUT THE SHIP

M/Y Callisto

M/Y Callisto is an elegant 50-metre boutique motor yacht offering an intimate and distinctive way to explore the beautiful Adriatic coastline. Originally launched in 2000 and refurbished in 2022, the yacht combines traditional maritime character with comfortable accommodation and welcoming onboard facilities.

With just 17 outside cabins accommodating up to 34 guests, Callisto provides a relaxed, personal atmosphere. A professional crew of 16 looks after guests throughout the journey, making attentive hospitality an important part of the onboard experience.

Accommodation is arranged across the Lower and Main Decks, with four cabin categories to suit different preferences. Categories C and B are located on the Lower Deck and feature traditional portholes, while Categories A and P occupy the Main Deck and offer windows with natural daylight.

All cabins include individually controlled air conditioning, private en-suite bathrooms with showers, televisions, mini-fridges, safes and hairdryers. Selected Category B and C cabins can accommodate a third guest, subject to confirmation.

Callisto's inviting indoor lounge, comfortable seating areas and welcoming bar provide ideal spaces for relaxing and socialising. Guests can enjoy meals in the indoor dining room or, when conditions permit, in the outdoor dining area while admiring the passing coastal scenery.
