ABOUT THE SHIP

M/Y Harmony G

M/Y Harmony G is an elegant 54-metre mega yacht offering a comfortable and intimate way to discover the extraordinary beauty of the Greek islands. Originally launched in 2001 and refurbished in 2023, the yacht combines contemporary onboard facilities with the relaxed atmosphere of boutique cruising.

Accommodating up to 44 guests in just 21 cabins, Harmony G offers a welcoming setting for travellers who appreciate personal service, comfortable accommodation and the opportunity to explore the Mediterranean aboard a smaller vessel.

Guest accommodation is arranged across three decks, with four cabin categories. Six Category C cabins are located on the Lower Deck, while the Main Deck accommodates three Category B cabins and eight Category A cabins. Four Category P cabins occupy the Upper Deck, offering additional space and convenient access to the yacht's shared facilities.

All cabins include individually controlled air conditioning, private bathrooms with showers, televisions, mini-fridges, safes and hairdryers. Selected Category C accommodation may be suitable for a third guest, subject to confirmation.

The bright Main Deck dining room and lounge provide welcoming spaces for enjoying meals and relaxing between island visits.

ACCOMMODATION

Cabins

M/Y Harmony G offers 21 comfortable cabins across three decks, with four cabin categories: Category C on the Lower Deck (6 cabins), Category B on the Main Deck (3 cabins), Category A on the Main Deck (8 cabins), and Category P on the Upper Deck (4 cabins).

Category C has twin or double beds and two portholes. Categories B and A feature twin beds on the Main Deck, while Category P offers flexible twin or double bedding on the Upper Deck. All cabins include a private bathroom with shower, individual air conditioning, TV, mini-fridge, hairdryer and safe.

Two cabins aboard Harmony G can accommodate a third person, subject to confirmation of the precise Category C cabin and bedding configuration. Photos illustrate cabin accommodation on board and may not represent every category.
