ABOUT THE SHIP

M/Y Harmony V

Built in 2009 and refurbished in 2021, M/Y Harmony V is an elegant 55-metre mega yacht offering a comfortable and personal way to explore the extraordinary beauty of the Greek islands.

Welcoming up to 49 guests in 25 sea-view cabins, Harmony V combines the facilities of a contemporary motor yacht with the relaxed atmosphere of intimate small-ship cruising.

Accommodation is arranged across the Main and Upper Decks, with four cabin categories offering different layouts and locations. The Main Deck features three Category C cabins and six Category B cabins, while the Upper Deck includes fourteen Category A cabins and two Category P cabins.

All cabins have windows providing natural light, individually controlled air conditioning, private bathrooms with showers, televisions, mini-fridges, safes and hairdryers. Selected Category P cabins may accommodate a third guest, strictly on request.

The welcoming indoor dining room and lounge feature large windows, creating a pleasant setting for enjoying meals while admiring the passing coastal scenery. On the Upper Deck, guests can relax in the comfortable lounge, enjoy a refreshing drink at the bar or dine outdoors when conditions permit.

Harmony V's spacious sun deck offers comfortable loungers and beautiful panoramic views of the Aegean Sea. A swimming platform provides convenient access to the water during suitable swimming stops, while selected water
