Day 2 • SPLIT - OMIŠ - PUČIŠĆA

Our English-speaking guide will do a morning Split City tour, and walk us through the historical Diocletian Palace. Split is the second-largest urban centre in Croatia and the seat of Split and Dalmatia County. It is traditionally considered to be over 1,700 years old. Since 1979 the historic centre of Split has been inscribed on the UNESCO World Heritage Site List. The historical and cultural buildings are located inside the walls of the Diocletian's Palace. At 12:00 we will start our cruise to Omiš, an ancient town with city walls, fortresses and stone churches located at the delta of the Cetina River with its wonderful beaches. In the past, Omiš was for centuries a symbol of retaliation, courage and strength of the famous pirates against the Venetian Republic. Lunch will be given while we cruise there with a swim stop. After Omiš we will cruise across the Brac channel to continue towards Pučišća, the biggest village on the island of Brač. Nowhere in the system of towns and villages in Dalmatia does terrain play such a compelling role as in Pucisca with its spectacular irregularity of the steep-sided natural harbour, its authentic Mediterranean architecture and rustic ambience; the fjord-like inlet meets three narrow valleys that descend from the hills to join those quiet and beautiful waters. Pučišća Quarry was exploited in Antiquity; the reopening of the quarry took place in 1455, unused since Roman times. It was from this quarry that stone was excavated to build limestone columns of the White House in Washington DC, The Parliament house in Vienna and many other famous buildings all over the world. The only Stonemasonry school in Croatia is located in Pučišća where students carve sculptures from Brač limestone with traditional and unconventional tools that have been used here for centuries. We will spend the night in this very quiet small town. Nightfall unifies the diverse features of Pučišća that have intrigued us by daylight. Overnight in Pučišće.

Meals on board: Breakfast, Lunch

Day 3 • PUČIŠĆA - BOL - HVAR

We start our day with a morning departure towards Bol, said to have the best beach for swimming in Croatia named Zlatni Rat. (Golden cape). We will stop in Bol and enjoy this nice Dalmatian town for a walk, or to have a cup of coffee and take a swim till lunch is served on board. After lunch, we will continue cruising towards the sunniest island of Croatia - the island of Hvar, along with the many coves and bays on the way. Hvar is one of the most popular, very attractive tourist destinations and a meeting point for the international jet set. Upon your evening arrival at Hvar, a local English-speaking guide will walk you through the town introducing you to the history, culture and way of life on this island and explain how lavender was traditionally farmed on the Island of Hvar for centuries. Have an evening in Hvar free on your own to explore and dine around in one of the numerous family-owned restaurants. Overnight in Hvar Historical Town.

Meals on board: Breakfast, Lunch

Day 4 • HVAR - BIŠEVO BLUE CAVE - VIS

We start our day with a morning cruise towards Island Biševo with its Blue cave. The cave has its own natural entrance which is located below sea level, which required that its visitors dive deeply only to resurface into the cave's mysterious blue depths. This natural phenomenon creates a magical effect of deep blue and shiny silver, mystifying her visitors. However, sometimes High Waves prevent the entrance to Blue Cave, which is something we shall not know before the morning designated for our visit, and this is a reason why entrance fees should be paid on the spot – if we have the luck to visit it! We will dock in Vis. Lunch. Vis is a pearl among Croatian Adriatic islands, left untouched by the development of tourism for so many years – due to its strategic location on the open sea, it served as a military zone for many years. Beautiful beaches, preserved nature, ecological agriculture and preserved traditional architecture are unique advantages of this unique Croatian island. You will have an evening free in Vis Overnight in Vis Town.

Meals on board: Breakfast, Lunch

Day 5 • VIS – KORČULA

We start our day with a morning departure towards the island of Korčula. We shall stop for a swim before lunch and in the afternoon arrive in Korčula town, on Korčula Island. Korčula is a city known as the birthplace of Marko Polo, the famous explorer. Our English-speaking guide will do the Korčula City tour, and walk us through narrow and cobbled streets. The rest of the evening is free to enjoy dining at one of the local restaurants of your choice. Overnight in Korčula Historical Town.

Meals on board: Breakfast, Lunch

Day 6 • KORČULA – SLANO

Morning cruise to Mljet Island, where you'll be free to explore National Park Mljet (entrance fees are not included), walk around the Great and Small Lake, visit The Islet of St. Mary with its Benedictine Monastery dating from the 12th century and, of course, take a swim in the heart of this pristine National Park. Lunch will be served on board as we continue our cruise to Slano, where we shall arrive in the afternoon.

Slano is one of the most picturesque places on the Dubrovnik Riviera, with a beautiful beach, dense pine forest and olive groves, a long cultural tradition and numerous historical monuments. For all who are interested, we can organize an optional excursion to Ston. Ston is a fortified town famous for

5-kilometre-long walls, old saltwork and oysters/mussels farm. Overnight in Slano.

After the city tour, you will be left on your own to explore the city, visit City Walls or take the cable car to the top of Mount Srđ.
