## Day 2 • DUBROVNIK - SLANO

After breakfast, our English-speaking guide and coach will come to the pier. We'll visit the historical center of Dubrovnik, the famous city enlisted as a UNESCO World Heritage Site, where our guide will show you the most interesting sights of Dubrovnik. After the city tour, you'll be left on your own to explore and enjoy this city,

known around the world as The Pearl of Adriatic. At midnight we'll have a transfer to the ship.

Lunch will be served on board en route to Slano, located on the mainland with a swim stop on the way.

Slano is one of the most picturesque places on the Dubrovnik Riviera, with a beautiful beach, dense pine forest, olive groves, a long cultural tradition, and numerous historical monuments. For all who are interested, we can organize an optional excursion to Ston. Ston is a fortified town famous for its 5-kilometre long walls, old saltwork, and oysters/mussels farm. Overnight in Slano.

Meals on board: Breakfast, Lunch

## Day 3 • SLANO - NATIONAL PARK MLJET - KORČULA

This morning we have free to explore Mljet National Park (entrance fees are not included), walk around the Great and Small Lake and Islet of St. Mary with its Benedictine Monastery from the 12th century and, of course, take a swim in the heart of National Park. Lunch on board and cruise toward the island of Korčula. In the afternoon arrive at Korčula town, on Korčula Island, a city known as the birthplace of Marko Polo, the famous explorer. Our English-speaking guide will do the Korčula City tour, and walk us through narrow and cobbled streets. The rest of the evening is free to enjoy dining at one of the local restaurants of your choice. Overnight in Korčula Historical Town.

Meals on board: Breakfast, Lunch

## Day 4 • KORČULA - VIS

Morning cruise to Vis Island where we expected to come after lunch with a swim stop. Vis is a pearl among Croatian Adriatic islands, left untouched by the development of tourism for so many years - due to its strategic location on the open sea, it served as a military zone for many years. Beautiful beaches, preserved nature, ecological agriculture, and preserved traditional architecture are unique advantages of this unique Croatian island where we will spend the afternoon. Overnight in Vis Town

Meals on board: Breakfast, Lunch

## Day 5 • VIS - BIŠEVO BLUE CAVE - HVAR

Today is a cruise to Island Biševo with its Blue Cave. The cave has its natural entrance which is located below sea level, which requires that visitors dive deeply only to resurface into the cave's mysterious blue depths. This natural phenomenon creates a magical effect of deep blue and shiny silver, mystifying her visitors. However, sometimes High Waves prevent the entrance to Blue Cave, which is something we shall not know before the morning designated for our visit, and this is a reason why entrance fees should

be paid on the spot – if we have the luck to visit it! After the swim stop and lunch, we will continue cruising towards the sunniest island of Croatia – the island of Hvar, along with the many coves and bays on the way. Hvar is one of the most popular, very attractive tourist destinations and a meeting point for the international jet set. Upon your afternoon arrival at Hvar, a local English-speaking guide will walk you through the town introducing you to the history, culture, and way of life on this island and explaining how lavender was traditionally farmed on the Island of Hvar for centuries. Have an evening in Hvar free on your own to explore and dine around in one of the numerous family-owned restaurants. Overnight in Hvar Historical Town

Meals on board: Breakfast, Lunch

#### Day 6 • HVAR - BOL - TROGIR

In the morning we'll cruise towards Bol, a place best known for its beach of Zlatni Rat (Golden Cape), which regularly hits the top lists of the most beautiful European beaches. Once we stop in Bol, you can enjoy simple pleasures such as taking a walk around this nice little Dalmatian town, perhaps having a cup of coffee or a swim, until lunch is served on board.

After lunch we'll continue cruising towards Trogir, another city inscribed on the UNESCO World Heritage list, arriving there during afternoon. This town - museum is literally packed with palaces, churches, monasteries and towers. A professional English speaking guide will take us for a city tour of Trogir. Afterwards, you'll have some time on your own, free to explore.

On this evening we'll have Captain's Dinner on board, along with live music entertainment.

Overnight in Trogir.

Meals on board: Breakfast, Lunch and Captain`s dinner

#### Day 7 • TROGIR - SPLIT

In the morning we'll sail out for Split, our last port on this cruise, with a swim stop along the way. After lunch, our English speaking guide will do an afternoon Split City tour, walking us through the world famous Diocletian's Palace. Split is the second largest urban centre in Croatia and the seat of the Split-Dalmatia County.

Over 1700 years old, Split abounds with cultural and historical sights, lots of them situated within the Split's historical nucleus which has been inscribed on the UNESCO World Heritage List ever since 1979. After the city tour you'll be left on your own to explore this lively and bustling
